BRAG BOX

HAMBURGERS

All of our beef burgers are made with Pat LaFrieda custom blend of chuck, rib and brisket. We smash them on the griddle and grill until crisp. They are cooked juicy and well done. Our Martin's Potato Roll is toasted with Upstate NY butter. Our bacon is applewood smoked, Nueske brand.

CHICKEN

All natural breast marinated in organic buttermilk and spices. Hot Honey Chick made with all natural thigh meat.

HOT DOGS

All of our dogs are made with Sabbrett natural casing all-beef franks, plumped in water and finished on the griddle. We serve them on a toasted side-split bun.

FRIES

All fries are fried with canola oil and added beef tallow unless otherwise requested.

EGGS

We always use certified organic, local, free-range eggs.

ORGANIC MILKSHAKES

All shakes are made with organic NY Fresh by Organic Valley whole milk and organic Blue Marble Ice Cream. For flavoring we use Ma Smith's Red Velvet cake, Italian Fabbri paste, and make our own (darn good) salted caramel.

FANCY SODAS

We select only bottled sodas from small, independent and vintage producers.

LOCAL VENDORS

This icon denotes this item was produced from a small neighborhood vendor. Supporting our community since 2013!

- All bacon is cooked in separate fryers and griddle surfaces.
- Veggie burgers are grilled separately from meat.
